WORK | LEARN | QUALIFY

CHS offers courses to individuals in the workplace on a blended learning platform called Hospitalit-e

YOUR TRAINING DESTINATION

We offer white labelled, custom-designed programmes and generic training programmes i.e. Guest Relations, customised in line with your corporate image and standard operating procedures.

Learners have easy access to their text books, quizzes and all the resources they require to ensure they stay on track with their studies.

Our qualifications are designed for individuals who are currently working in a hospitality establishment and would like to earn a qualification or advance their education further while working.

All our courses are accredited with either CATHSSETA, QCTO or City & Guilds, which offers our learners the option of National or International Qualifications.

WHY STUDY THROUGH HOSPITALIT-E?

- National and international accreditation
- State of the art learning facilities
- Accredited course material provided on e-learning platform
- Course material complies with the latest industry standards
- Blended learning approach (A combination of online learning , lecture time and assisted tutor sessions).
- Qualified lecturers with industry experience
Interactive, small classes
